**LASUSTECH SDG 16 (PEACE, JUSTICE AND STRONG INSTITUTIONS) REPORT**

LASUSTECH is committed to achieving the Sustainable Development Goals (SDGs), and SDG 16, Peace, Justice and Strong Institutions, is a top priority for the university. LASUSTECH has made significant progress in recent years in addressing SDG 16, and this report highlights some of the key achievements.

**Peace and Security**

LASUSTECH promotes peace and security on campus and in the surrounding community. The university has a strong security presence, and it has implemented a number of policies and programs to promote peace and understanding. LASUSTECH also works to raise awareness of peace and security issues through its educational and outreach activities.

**Justice and Accountability**

LASUSTECH is committed to justice and accountability. The university has a fair and transparent judicial system, and it has a number of policies and programs in place to protect the rights of students, faculty, and staff. LASUSTECH also works to promote legal literacy and awareness of human rights.

**Strong Institutions**

LASUSTECH has a strong and effective governance structure. The university is led by a democratically elected Governing Council, and it has a number of committees and other bodies at the senate in place to ensure transparency and accountability. LASUSTECH also has a strong track record of financial management.

**Impact**

LASUSTECH's efforts to achieve SDG 16 have had a positive impact on the local community. The university has helped to promote peace and security on campus and in the surrounding community. LASUSTECH has also helped to promote justice and accountability, and it has strengthened its governance institutions.

## **Key Achievements**

- a) Established a networked campus security network for Peace and Security
- b) Implemented a new code of conduct for students and colleges, which includes provisions on discrimination, harassment, and bullying.
- c) Established a new grievance redressal committee to investigate and resolve complaints related to discrimination, harassment, and bullying.
- d) Partnered with local civil society organizations to promote legal literacy and awareness of human rights.
- e) Revised the university's governance structure to make it more democratic and transparent.
- f) Implemented a new financial management system that is more efficient and accountable.

## **Conclusion**

LASUSTECH is committed to achieving SDG 16, and the university has made significant progress in recent years. The university has helped to promote peace and security, justice and accountability, and strong institutions. LASUSTECH is well-positioned to continue its efforts to achieve SDG 16 in the coming years.

## **Recommendations**

We will:

- a) continue to invest in programs and research that promote peace and security.
- b) strengthen the university's judicial system and grievance redressal mechanisms.
- c) continue to promote legal literacy and awareness of human rights.
- d) continue to strengthen the university's governance institutions.
- e) track and measure progress towards SDG 16 goals and targets.

Yours sincerely,
