### **SDG 5-GENDER EQUALITY**

Does your university as a body have women's mentoring schemes, in which at least 10% of female student's participants? Yes, we do:

The university runs and the mentoring program among young female students. The mentoring scheme program focuses on the following:

A. Enhanced leadership skills

B. Self-empowerment

C. Career advancement

D. Self-reliance

E. Personal growth

F. Role modelling

The Mentoring scheme was fully based on the following stages/phases for effective mentorship program.

1. Pre- mentorship stage
2. Mentorship stage
3. Mentorship best practices
4. Mentorship development
5. Mentee engagement and Evaluation of the program.

Both the students and some interested female staff has been beneficiary of the program. The University is at the edge of collaborating with the Lagos state Government Women Development Center.

Attached are captions during the mentoring program training:

Thank you all.
