LASUSTECH Pre-Degree Programme for the 2024/2025 session

The Lagos State University of Science and Technology (LASUSTECH) is now accepting applications for its Pre-Degree Program for the 2024/2025 academic session. Below are the details of the programme:

Program Overview:

The Pre-Degree Programme at LASUSTECH is a rigorous and comprehensive programme that is meant to prepare candidates with deficiency in their O'Level results to successfully resit for the Examination and also to prepare them for the Unified Tertiary Matriculation Examination (UTME) and for admission into the 100-Level Degree Programme of the Lagos State University of Science and Technology.

The program covers the following subjects;

- | | | |
|----------------|---------------------|--------------------------|
| 1. Mathematics | 2. English Language | 3. Biology, |
| 4. Chemistry | 5. Physics | 6. Economics |
| 7. Accounting | 8. Government | 9. Literature-in-English |

Eligibility Criteria:

- i. Candidates must have completed their secondary education with credit in at least three (3) subjects in any of Mathematics, English Language, Biology, Physics, Chemistry, Economics, Accounting, CRS, Government, Literature-in-English and other relevant subjects in Senior Secondary Certificate Examination in not more than two (2) sitting.
- ii. Candidates who meet the admission requirements will be invited for a written qualifying examination.

Criteria for transiting to 100-Level in the Lagos State University of Science and Technology in the year 2025 admission exercise.

1. Candidates must write the UTME Examination of the year (2025) and obtain the minimum tolerable UTME score for the University Admission for the year. Candidates must also comply with all criteria prescribed by the University.
2. Candidates with deficiencies in their O'level results must have re-sitted WAEC and/or NECO examinations and pass all the deficient subjects relevant to their choice courses in the University.
3. Candidates must have written the University's pre-degree examinations and also participate fully in all the requirements of the programme.

Duration of the programme

The duration of the programme shall last for 8 months and will be taken in 2 semesters.
